Re: MUR 6638

Dear Mr. Herman,

I have just received your letter regarding a complaint against Todd Long for Congress. It appears that this complaint was made in August of 2012, which leaves me to question why I just received it. As to the allegations, I have no knowledge as to what was said or done with regards to Mr. Long's divorce or statements made by Mrs. Long. I can not speak to that as I certainly was not involved. As to the amended report in question, that report was done with care and per the rules as I knew them to be. I don't recall details as it has been more than two years since I worked on the report but I do recall spending an exorbitant amount of time to correct the mistake. I have had no further involvement in this matter and see no reason for this investigation to include me.

Sincerely,

Rosa Alvarez
